Try Canoe Slalom in Yorkshire in 2009

Canoe Slalom is an excellent introduction to moving water for all paddlers. They are in constant view of someone and in the lower divisions the water is not intimidating. Canoe Slalom is organised in 5 divisions. Division 4 is for novices. The Premier Division is for the real experts.

These are the minimum Paddling Standard we advise for new Slalom paddlers.

It is the standard of paddling that is important **not** whether the paddler has passed (or not) the Star Test.
